PLEASE NOTE: It may not be possible to cancel or modify your order depending on when we receive a request. Please make sure to double check your order before you check out, we cannot modify orders once they have been placed and cannot always cancel orders before they ship.

DHL Express shipments are DDP (delivery duties paid), which means we charge all taxes upon checkout. We also now offer a UPS DDP option, shipping to select locations only. Orders over \$2,500 and/or orders with over 25 individual line items do not qualify for our DDP shipping options. We are unable to provide a line by line breakdown of the duties paid upon checkout. Please contact your country's DHL or UPS office for that information.

By placing your order, you agree to Adafruit's [privacy notice](#) and [conditions of use](#).
